## A Kite Day (Bear and Mole) (Bear and Mole Stories) Will Hillenbrand

On a windy spring day, what do Bear and Mole decide to do? Why, fly a kite, of course! But first they have to build one. They design, measure, and finally construct their kite. With a *zoom, zoom, zoom* the kite soars *up, up, up* in the air. But when a storm rumbles in --*SNAP!*--the kite string breaks! The chase is on as the two friends tear after their kite and find it in a tree, protecting a nest of baby birds from the rain. This sweet story makes a perfect read-aloud for preschoolers.
