BOOK #1: Etsy Selling: Learn How to Start Your Own Successful Etsy Selling Business

Etsy Selling is a one-of-a-kind book that will walk you through the steps of starting and maintaining your own Etsy business. Etsy Selling is one of those books that once you download it, you'll refer back to it frequently and you'll see your business begin to soar. Mind you, Etsy isn't for everyone, but since you've found this book, you are looking into it and this book is the perfect place to start. Etsy has taken the nation by storm over the last few years, however, it's not too late at all to get onboard and start your own business. That's what Etsy Selling is all about. As you will discover within the pages of this book, it's not as difficult to get started with your own Etsy presence and begin generating business. After a few minutes of set up, some work, and a determined focus, this will be a fun and profitable venture for you and maybe even your family.

From this book you will learn:

- Some tricks that will set your Etsy store apart from others and grow your profits.
- Fundamental sales and marketing protocols that virtually every business follows.
- How to become and stay successful in this market environment.

BOOK #2: Photography Business: The 5 Sure Ways to Start a Photography Business

It seems that everyone now days can call themselves a photographer. With everyone having a camera in the palm of their hands standing out and being a successful photographer means crafting your skills in a way that makes you unique amongst the masses. You, however, need to do more than just be able to take a well-composed photo if you plan on starting your own business. There are a great number of things that need to be

taken into consideration when starting a photography business. If you have been contemplating taking your photography to a professional level and starting your own photography business than this book will be a great help to you. Photography Business, The 5 Sure Ways to Start a Photography Business will cover the top five items you should consider doing to start a photography business. Whether you want to focus on fashion, product or wedding photography this book will help you determine what you need to do to start your own photography business. The topics covered in this book can guide any aspiring photographer to take the necessary steps to turning their hobby or passion into a profitable and successful business.

This book will not only cover the creative side of photography but also the business aspects including:

- How to write a business plan.
- Marketing your photography business.
- Types of photography to specialize in.
- What legal measures do you need to consider?
- Planning out the finances for your photography business.
