Peter Pan: The Original Tale of Neverland

J. M. Barrie, Raquel Jaramillo

Peter Pan: The Original Tale of Neverland J. M. Barrie, Raquel Jaramillo

"Peter Pan," J. M. Barrie's tale of the boy who wouldn't grow up, remains one of the most beloved children's books ever written. For nearly a hundred years, kids across the world have drifted off to sleep dreaming about Tinker Bell and the Lost Boys, pixie dust and ticking clocks, crocodiles and Captain Hook. But in spite of the story's visual richness, it has never been illustrated photographically until now. In this lavishly produced edition of the unabridged adventure classic, designer and illustrator Raquel Jaramillo interprets "Peter Pan" through her wondrous photographic imagery. By blending illustration, photography, and computer technology, she blurs the lines between fiction and reality. The result is fresh and startlingly beautiful -- pure magic. Neverland comes alive with the immediacy and drama of a movie. Pirates stalk savage forests, mermaids swim through sun-kissed seas, children fly above undiscovered islands. Portrayed with a flesh-and-blood intimacy, the beloved characters of Peter Pan, Wendy Darling, Captain Hook, Tinker Bell, and Nana seem more real than ever before. Part ghost story, part love story, tender, funny, and wise, "Peter Pan" is a haunting work that appeals equally to boys and girls. But in the wake of numerous abridged retellings, the famous Disney adaptation, and other big-screen updates, the true nature of the novel has been somewhat forgotten, its impact diminished with each passing generation. Jaramillo's stunning re-creation secures the legacy of the tale, in all its complexity, for a second century. It will prove to be as ageless as Peter himself.
