## **The Ballerina & the Dr.: A Romance** Rosella Bachelli

The Ballerina & the Dr. is the story of Melissa, an aspiring ballet dancer, whose latent genetic attributes only emerge well past her teens, condemning her to failure, in her quest to become a prima ballerina. Guided by the eternal love of one woman, she discovers the courage to exhume her demons and unearths the perseverance to overcome her difficulties, defying orthodoxy. Renouncing ballet to pursue the philosophy of karezza, she enters the London 2012 Olympics in the SS Event. She becomes a target of G8 Agencies, intent on liquidating all advocates of karezza because the philosophy awakens critical perception, allowing the masses to discern needs from wants, so undermining consumerism. With the help of ex- US Army captain Empid Bethel, they dodge the attacks and evade the enemy with near misses. Lisa subtly persuades Melissa to return to ballet and cradled in her arms, she is steered to log into intuitive seeing: actualizing, excellenting, and perfecting her ballet style to become a principal dancer with a major company. A book especially for women, athletes, psychologists, and journalistic readers, with a style suited for film adaptation.
