The Healer's Touch Lori Copeland

Lori Copeland, beloved author of more than 100 books, brings a new adventure to life in her latest novel. Lyric Bolton doesn't ask for much—just friendship and acceptance from her rural Missouri community. But her family is regarded with suspicion and fear because of her mother's sickness—a sickness of the mind that grows worse by the day. Lyric is resigned to a life of isolation and doesn't see any way out...but that's before Ian Cawley bolts into her life on a runaway stallion. As she opens her heart to Ian, Lyric dares to imagine a different life. But what will happen when he discovers the secret she holds closest of all?
