About Flowers: Floral Design by Lut Verkinderen Lut Verkinderen

Florist Lut Verkinderen grew up on a farm, to the rhythm of nature and the seasons. It is hardly surprising, therefore, that this love of the outdoors and a passion for floral and interior design has culminated in a career of professional floristry. Lut Verkinderen, who is happy to share her insights and love for floral arrangements, gives workshops and demonstrations at major floral events, but has, since 2007, also run her own flower school, where she teaches different techniques (weaving, stringing, clamping, stacking, bundling), introducing new materials to her students with the aim of creating harmonious colors and beautiful structures.

It is in this light that About Flowers should be used, as it offers not only inspiration but is, above all, a workbook for all seasons and occasions. Accessible creations in a contemporary style with colorful detail that are Lut Verkinderen's unique trademark.
