## **Everflame** Dylan Lee Peters

The world is old and full of lies, but also full of truth, and here between the earth and sky the questions fall to you.

??Long ago, when the earth was young, four ancient beings created man to be the bastion of the earth and its creatures, but when the Great Tyrant came and chased the Ancients away, the world was transformed into a place of fear and isolation. Over time, humans lost their connection with a world they had been created to protect, they forgot the ways of their ancient creators, and accepted the Tyrant's lies as truths from the mouth of a god.

??Now, deep in the forests that surround Gray Mountain, two bears find a small child that is abandoned and left for dead. The bears name him Evercloud, raise him as a member of their kingdom, and teach the boy of the Ancients, all underneath the light of the Everflame, the flame that burns atop Gray Mountain as a monument to the integrity and spirit of the bears.

??As Evercloud grows, rumors reach the bear kingdom of the Ancients' return, and now the young man must leave his home to find them, and help save the world he holds dear.

??Will Evercloud lose himself in the darkness of the Great Tyrant's lies, or will he have the courage to judge his own heart, the strength to master the darkness, and the faith to follow his purpose until it burns within his heart like the Everflame?
