Fenómenos de circo (Voces / Literatura nº 158) (Spanish Edition)

Ana María Shua

Fenómenos de circo (Voces / Literatura nº 158) (Spanish Edition) Ana María Shua

En este circo podrán contemplarse el extraño caso de la novela enana, acróbatas que dan saltos mortales fuera de la realidad, humanos amaestrados, malabaristas de verbos y un ángel trapecista. En este circo se verán seres mitológicos contratados a regañadientes y personajes que se equivocaron de género literario. Los lectores se morderán los labios con el difícil equilibrio del amor, el drama del payaso, el increíble origen de la vida y la espeluznante sociedad del espectáculo. Y no, no hará falta que "pasen y vean" porque ya sospecharan que la vida es circo.

Ana María Shua cuestiona, una vez más, los límites convencionales de la narración en esta colección de microrrelatos que se articulan a través de la metáfora del circo, de sus oficios, sus monstruos, sus animales y su historia. La autora argentina, máxima exponente del género, presenta con sutil lirismo y punzante sentido del humor el destino del ser humano y nos permite mirar de frente, como en la arena circense, la desafiante y extraña realidad.
