Do you have trouble selecting a book and then sticking with it? Do you start a book, read a few pages, and then put it back? Do you have to read for a set amount of time each night and can't seem to find a book you like? If you answered yes to any of these questions then The School Is A Nightmare Series might be right for you. The books are written with you in mind. They're fast paced, have quick chapters (we promise), and are shorter than the average book (you're welcome). Book #2, The Field Trip is a quick and fun read. Give it a try. It will be over before you know it. Justin's first week of school was a complete nightmare, and he's thankful it's over. He may not be a fan of school, but he's a huge fan of field trips.

It's finally the day of the first school trip of the year. All week he's been looking forward to pumping his fist so truckers will honk their horns, sneaking loads of candy, and having a fun day off. It's only the second week of school, but he's already exhausted and needs a break.

Unfortunately for him, his day off isn't exactly what he had in mind. He's bitten by a snake, attacked by bees, and blamed for making the whole grade late. Even worse, he's sent to the hospital and may not even get a chance to finish the trip with the rest of the kids.

It was supposed to be the perfect trip, but it was a total nightmare.
