A History of Marine Fighter Attack Squadron 115 Captain John C. Chapin USMCR (Ret.)

This history traces more than 40 years of active service by Marine Fighter Attack Squadron 115. Since its commissioning in July 1943, the squadron has evolved from a group of wartime beginners in SNJ-4 planes to today's front-line professionals in their F/A-18 Hornets. These decades have seen VMFA-115 on active service in the Southwest Pacific, the Philippines, China, Japan, Okinawa, Taiwan, Western Europe, the Caribbean, the Mediterranean, and on both coasts of the United States. This volume offers an operational narrative account of one of the Marine Corps' best-known fighter squadrons. Holder of three Presidential Unit Citations and three times awarded the Hanson Trophy, VMFA-115 has built a distinguished career since 1943. It has played a prominent role in every national conflict from World War II to the Vietnam War, and has served in nearly every part of the globe. While this history deals with a particular squadron, it exemplifies the service of many other Marine fighter-attack squadrons.
