Canadian Intelligence Service Agent Justin Hall--combat-hardened in operations throughout Northern Africa--has been demoted after a botched mission in Libya.

When two foreign icebreakers appear in Canadian Arctic waters, Justin volunteers for the reconnaissance mission, eager to return to the field. His team discovers a foreign weapons cache deep in the Arctic, but they are not aware that a spy has infiltrated the Department of National Defence.

The team begins to unravel a treasonous plan against Canada, but they fall under attack from one of their own. Disarmed and stripped of their survival gear, they are stranded in a remote location. Now the team must survive the deadly Arctic not only to save themselves, but their country.

ARCTIC WARGAME is an action-packed spy thriller in the bestselling tradition of David Baldacci, Brad Thor and Vince Flynn. Readers will enjoy a great tale of courage, fear and betrayal.

The bonus content includes the prologue and the first chapter of TRIPOLI'S TARGET, the second book in this series, which also reached Amazon's Best Sellers lists in 2015.
