Compass Points - Photography for Writers: Using Photos to Sell More of Your Words Simon Whaley

Digital photography has made photography accessible to all and, even if you have a mobile phone camera, it is possible to take publishable pictures. Photography for Writers explains the basics of digital photography, the different markets available to writers with a camera, how to submit their images, what to do with their images afterwards, how to use photography for research purposes, and even how to get photos to illustrate your articles if you don't have a camera.
