Fatality Caroline B. Cooney

Does Rose's diary hold the clues to a grisly unsolved murder?

Rose was thrilled to be invited to spend the weekend at her friend Angelica's beautiful summer home. It had everything a girl could want: gorgeous horses, expensive cars, and an exquisite pool. But instead of a weekend of sunbathing and caviar, someone ended up dead.

Four years later, the police have reopened the case. But this time they have Rose's diary—her private, personal diary—and Rose will do anything to get it back.

From reader reviews:

Caroline Petrie:

Book is to be different per grade. Book for children till adult are different content. To be sure that book is very important normally. The book Fatality has been making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The publication Fatality is not only giving you far more new information but also being your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship together with the book Fatality. You never really feel lose out for everything if you read some books.

Sara Kelly:

A lot of people always spent their free time to vacation or even go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you would like try to find a new activity that is look different you can read a book. It is really fun in your case. If you enjoy the book that you simply read you can spent the entire day to reading a guide. The book Fatality it is extremely good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. In the event you did not have enough space bringing this book you can buy the e-book. You can m0ore quickly to read this book from the smart phone. The price is not too costly but this book provides high quality.

Marla Brinker:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book has been rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes studying, not only science book and also novel and Fatality or others sources were given information for you. After you know how the fantastic a book, you feel wish to read more and more. Science book was created for teacher or maybe students especially. Those books are helping them to bring their knowledge. In additional case, beside science guide, any other book likes Fatality to make your spare time far more colorful. Many types of book like this one.

Loretta Pena:

A lot of publication has printed but it differs from the others. You can get it by world wide web on social media. You can choose the top book for you, science, comedian, novel, or whatever by simply searching from it. It is known as of book Fatality. You can add your knowledge by it. Without causing the printed book, it might add your knowledge and make you actually happier to read. It is most critical that, you must aware about reserve. It can bring you from one place to other place.
