Aligns to the Common Core Standards

The Common Core Standards are a set of standards adopted by most American states. The standards describe what students are expected to be able to do. Student learning is based on these standards throughout the year, and students in most states are tested based on these standards at the end of the school year. This workbook develops many skills listed in the Common Core Standards for English Language Arts, including skills in the reading, writing, and language strands. A complete list of the specific skills covered is included in the back of the book.

Matches the Texas Standards

The Texas standards, or TEKS, include key skills that are specifically covered by this book. These include identifying and using antonyms and synonyms, understanding prefixes and suffixes, and using context to determine word meaning. In addition, the book will develop a range of reading, writing, and language skills covered by the Texas curriculum. A complete list of the skills covered is included in the back of the book.

Matches the Virginia Standards

The Virginia standards are described in the Standards of Learning (SOL) and the Curriculum Framework. This workbook covers many key skills that Virginia students are expected to learn. These include using knowledge of synonyms and antonyms, applying knowledge of prefixes and suffixes, categorizing objects, understanding shades of meaning, using context to determine word meaning, and using specific vocabulary and precise language. A complete list of the skills covered is included in the back of the book.

One Book, Ten Core Benefits
