Has 'One Direction Fever' hit your household yet? My 11 year old daughter is crazy about them and it was her interest in the band that inspired me to create a knitting pattern to make a beanie for her.

The basic knitting pattern is very easy and is knitted on two needles rather than in the round, so it is ideal for knitters who are not comfortable with circular knitting. The One Direction design on the front is also straightforward and I have laid out the instructions in chart form as well as written out in full, so that you can use your preferred method of pattern reading.

The hat only needs one ball of the main color yarn and oddments in two other colors and can easily be made in an evening. The finished hat circumference is approximately 18 inches (46 cm) unstretched, and will stretch to approximately 23 inches (58 cm) so will fit both children and adults.

Scroll up to the top and click on the link to "Buy Now" to deliver almost instantly to your Kindle or other reading device. Make your One Direction fan's day - knit one of these beanies tonight and see the delight on their face in the morning!
