Pictures of an Exhibitionist: From the Nice to Emerson Lake and Palmer - The True Story of the Man Who Changed the Sound of Rock Keith Emerson

Keyboard legend Keith Emerson is one of the most important figures to emerge from the thriving rock scene of the sixties and seventies. Fusing rock 'n' roll with classical, jazz, and world music, he has set a standard by which others are judged. With Greg Lake and Carl Palmer, he formed the hugely successful Emerson, Lake and Palmer, who, between 1970 and 1977, released six platinum albums. Now in this insightful and irreverent memoir, Emerson tells uproarious tales of life on the road, tales of the high lifestyle that goes with being a rock star, and of course, tales of the outrageous, barrier-shattering music he produced.
