Lion Shifter Romance

A beast as savage as it is passionate...

Accustomed to life within a big city, **Chloe Parker** is not an outdoorswoman by any means. However, when her best friend asks her to accompany her and a pair of her hot male friends in order to spend a night in the wilds, she simply can't resist. What she will find there will change her life forever.

Matthew Harris is a member of a dying breed. Being a shape-shifter is a lonely existence, and that goes double when you are the only lion in the state. Determined to find his kindred spirit, he has tried looking everywhere—and it did not work. At least not until now.

Initially more than pleasant, Chloe's little field trip turns into the stuff of nightmares as soon as the sun goes out. Running for her life, she desperately to survive the fact they've all stumbled somewhere no human was ever meant to: shifter territory. But a particular lion soon makes his presence known, and his intentions do not seem to coincide with those of the natives...
