The Ambassadors - Classic Illustrated Edition Henry James

* Beautifully illustrated with atmospheric paintings by renowned artists, Henry James' dark comedy is considered one of his absolute masterpieces. Told from the perspective of Lambert Strether, a middle-aged American sent to Paris as an 'ambassador' to bring back the wayward son, Chad, of his fiance, it's a fascinating exploration of Lambert's growing awareness that he has missed out on a lot of the fun that European culture has to offer. He becomes so enamored with his exciting new experiences that he begins to doubt the need for Chad to be brought back to America at all....

* Just as accessible and enjoyable for today's modern readers as it would have been when first published over a century ago, the novel is one of the great works of English and American literature and continues to be widely read throughout the world.

* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text.
