It's the battle of the ghost-hunters: Edson Darby-Deaver, skeptical paranormal investigator, goes head to head with Teddy Force, the swashbuckling star of a ghost-hunting reality show, who will believe anything that gets ratings for his show. Unfortunately, their battlefield is a quiet estate that Taylor Verone wants to use for her animal shelter. Before she can move the dogs into the barn, she has to get rid of the Thing in the Loft. Hiring Edson to investigate seemed like a good idea at the time, but Taylor is going to need more help than he can give her. And Teddy's drive to deliver ghostly drama is enough to get somebody killed.
