Today women are entering the workforce and leadership field at an extensive rate; however, they are struggling to gain a real perspective on how to get ahead, what is expected, how to build strong alliances, and find work/life strategies. This lack of knowledge is creating a "one step forward two steps back" mentality as the tools required to succeed are hushed. This book focuses on how to pivot into your own empowerment. It explores strategies in leadership, communication, networking, moving forward and success while applying these tools to create harmony at home. Throughout the book, quotes from pivotal women talk about their struggles and how they find solutions both at work and at home.

This Your Power Pivot can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Wendy Cort:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Your Power Pivot can make you experience more interested to read.
