A Survival Kit for Doctoral Students and Their Supervisors: Traveling the Landscape of Research

Lene Tanggaard Pedersen, Charlotte Wegener

A Survival Kit for Doctoral Students and Their Supervisors offers a hands-on guide to both students and supervisors on the doctoral journey, helping make the process as enjoyable as it is productive. Drawing on research from peer learning groups, contributed narratives, and their own programs, authors Lene Tanggaard and Charlotte Wegener emphasize the value of the doctoral partnership and the ways in which shared knowledge can facilitate a rewarding journey for students and their advisors. Grounded in theoretical and empirical material, the book helps participants navigate the doctoral process with personal stories and examples from a variety of researchers. A discussion of common challenges and the inclusion of practical tips further enhance the book's diverse range of helpful resources.
