Bel Ami's Secret Eye

The boys of Bel Ami are used to being in front of the camera - whether it's for a movie shoot or a photo session. And even behind the scenes they are never really unwatched. There's Robo Melo, for instance, who is Bel Ami's video editor and who works close enough with the guys to take pictures of them even in their most private moments. His photos are snapshots in Polaroid style - unvarnished and never posed. With a fine feeling for just the right moment, he created a visual diary of his everyday life with some of Europe's hottest porn stars.
