What makes someone kill? The age old question of nature (genetics) versus nurture (conditioning) is still open to debate. What is not open for debate is Brandon's need to kill. But it isn't for revenge or fame or money...it's for penance. He may have had the perfect life of being a model by day and partier by night but underneath he is a tormented, murderous soul. And as the local investigating detectives along with the FBI find out, this is motive enough that fuels a mad quest which can be unstoppable. Brandon's coming for you, sinners.
