Holy Imagination, Rethinking Social Holiness Nathan Crawford, Jonathan Dodrill, David Wilson

This book invites the reader to rethink the various aspects of the doctrine of holiness in a social way, while seeking to draw out the nuances of a Wesleyan understanding of the interaction between the personal and social dynamics of the Christian life within the community of faith. It has a specific constructive intention-to define holiness in light of the Triune God, making holiness a reflection of the community that exists within the Godhead.
