**Isaiah, Volume 2: Chapters 33 to 66 (OT Daily Study Bible Series)** John F. A. Sawyer

One of the most important and cherished books in the Old Testament, Isaiah contains a message of vibrant spirituality. It reveals an exalted view of God and speaks in soaring poetry of joy and hope in the kingdom. Throughout his two-volume commentary, John F. A. Sawyer seeks to present the meaning of the text of the book of Isaiah with compelling clarity and, at the same time, lead the reader to a deeper understanding of familiar passages.

Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.
