My Laird's Love (My Laird's Castle Book 2) Bess McBride

Maggie Scott, having recently lost her fiancé to a terminal illness, travels to the Highlands of Scotland for a brief respite—from the arduous months of caring for a sick loved one, from the grief that now engulfs her.

But instead of finding solace, she finds herself transported back in time to 1747, the year following Culloden, a year that saw the Highlands suffer in the aftermath of the Jacobite Rebellion.

James Livingstone, laird of Castle Lochloon, survived Culloden, and by a miracle, he survived the purge of the lairds who participated in the rebellion. When Maggie comes into his lonely life, it seems as if another miracle has occurred—that of love.

But tragedy strikes just as James and Maggie find each other, and Maggie races against the clock to save the man she loves. Can James truly ask for one more miracle?
