The average C.E.O in America earns \$35,000 per day, in contrast the average American, about 90% of the population, earns \$35,000 per year. The only difference is the thoughts that each individual is thinking the majority of their time, during their career.

"By three methods we may learn wisdom: First, by reflection, which is noblest; Second by imitation, which is easiest,and third by experience which is the bitterest." Confucius
