## **The Really! Fun Family Haggadah** Larry Stein

Useful for both parents and children, this guide to the seder service provides all the Hebrew parts that families desire combined with English text for those needing help in translation. Two versions of the Passover story—one for adults and a brief one for children—are provided. In addition to all of the seder's 14 steps, this Haggadah provides explanations of the Passover traditions, as well as fun multiple-choice questions so families can understand the service better and gain a greater appreciation for its purpose and meaning. Many of the features are designed to encourage discussion among family members, both young and old, which is an important part of the Passover experience.
