**742 (The Serenity Chase Chronicles) (Volume 1)** Heather Tregaskes

Serenity Chase is used to fighting creatures not of our world. When a dragon crosses the barrier, Serenity thinks it's just another assignment. Instead it kidnaps a boy from school and hoards him like he's the prize of the century. Getting him back is tricky. Keeping him safe, difficult. Not falling for him, impossible. As if crushing on a guy the Inter-dimensional Syn Alliance didn't choose for her wasn't bad enough, Seren finds herself questioning her loyalties in order to save him. After all, to the ISA she's nothing but #742. The only way to keep the boy safe is by uncovering the secrets that surround him. It's worth it. At least it will be if she can discover the truth before they discover him.
