## **Beating Around the Bush** Art Buchwald

Pulitzer Prize–winning Washington Post columnist Art Buchwald returns undaunted to examine the ridiculous people and preposterous events that we call our daily reality. Collected from his columns, with a foreword by Garry Trudeau, Buchwald’s satirical voice darts at politicians, power, corporations and the media without pause. A self-described troublemaker, Buchwald continues to represent the great American traits of skepticism, humor, and a refusal to compromise in the face of absurdity.
