Behind the Sofa: Celebrity Memories of Doctor Who

Behind the Sofa: Celebrity Memories of Doctor Who

More than 150 celebrities share their earliest memories of *Doctor Who* in this revised and expanded edition—including a foreword by Sir Terry Pratchett

Steve Berry decided to do something a little bit different to raise funds for Alzheimer's research. A lifelong *Doctor Who* fan, he began to interview celebrities, writers, actors, and people who had worked on *Doctor Who*, asking for their earliest memories of the show that sent them cowering behind the sofa. Now he presents the fruits of his four years of labor—a beautiful, touching book containing short articles and charming memories of one of the most successful TV shows ever. This revised and expanded edition includes more than 30 new entries from people such as Sophia Myles, Ben Aaronovitch, and John Leeson. Contributors include comedians Al Murray, Stephen Merchant, and Bill Oddie; actors Lynda Bellingham, Nicholas Parsons, and Rhys Thomas; writers Neil Gaiman, Jonathan Ross, and Charlie Brooker; and politicians Louise Mensch and Tom Harris. In addition, there is input from a number of the writers, actors, and production staff who were involved in creating *Doctor Who* stories new and old.
