Her long-dreaded date with Thorandryll complicates Discord Jones' final case of the year: locating a stolen magic mirror. While searching, Discord discovers a secret battle raging beneath the quiet surface of Santo Trueno, one which could change it forever. Discord's efforts to oust her unwelcome visitor only emphasizes how far down the supe-world rabbit hole she's fallen. The struggle to understand how the past year's events will impact her future begins as she accepts a new bond—with the gargoyles.
