Central Government Debt: Statistical Yearbook 2009 (French Edition) OECD Organisation for Economic Co-operation and Development

Governments are major issuers of debt instruments in the global financial market. This volume provides quantitative information on central government debt instruments for the 30 OECD Member countries. Statistics are presented according to a comprehensive standard framework to allow cross-country comparison. Country notes provide information on debt issuance in each country as well as on the institutional and regulatory framework governing debt management policy and selling techniques.
