Day Trading with Heikin Ashi Charts (Day and swing trading of stocks Book 1) Tim Haddock, Ravi Kapoor

What you will get

We will show you how to discover trade set-ups of stocks ready to make a move and then ride the trend for as long as possible without being scared out of the trade prematurely. They will work for day trading as well as for swing trading, depending on your choice of time frames.

Our solid bread and butter method can be easily implemented on most modern trading platforms and charting packages. There is no need for spreadsheet manipulation, which would make day trading nearly impossible. It works not only for day traders but also for swing traders.

We will take you through a whole week of trading one stock. Many illustrations will help you to understand easily our strategy that you can apply it to your own trading.

What you will not get

We will not bore you with the basics you already know or can easily look up on the internet for free.

We will not invite or spam you to join expensive webinars or to buy costly newsletters, courses or indicators.

Should your device not display the charts and illustrations correctly, just shoot us an email and we will provide you with a different access, of course without charge or spam.
