## **Final Payments** Mary Gordon

When Isabel Moore's father dies, she finds herself, at the age of thirty, suddenly freed from eleven years of uninterrupted care for a helpless man. With all the patterns of her life suddenly rendered meaningless, she turns to childhood friends for support, gets a job, and becomes involved with two very different men. But just as her future begins to emerge, her past throws up a daunting challenge.

A moving story of self-reinvention, *Final Payments* is a timeless exploration of the nature of friendship, desire, guilt, and love.
