Greg Stones

## **Sock Monkeys Have Issues** Greg Stones

Sock Monkeys have issues with moths. They also have trouble with pterodactyls, home improvement projects, kittens (who tend to unravel them), and paparazzi. They really like bananas, jet packs, sock puppies, and romance, but have MAJOR issues with clowns, embarrassing relatives (King Kong), and gym socks. Through it all, they really adore one thing. Author of the breakout hit *Zombies Hate Stuff*, Greg Stones turns his popular, playfully absurd illustration style and subversive humor to the lovable but issue-fraught world of sock monkeys, detailing their inner lives and misadventures with a playful wit that will appeal to cheeky monkeys of all ages.
