**The Office Slave Series, Book 3 & 4 Collection (The Office Slave Collection) (Volume 2)** Opal Carew  
From *New York Times* and *USA Today* Bestselling Author Opal Carew

*Sylvia surrendered to her ultimate sexual fantasy only to find herself slave to a man who can never love her.*

Sylvia has always had a sizzling fantasy about submitting to four irresistible and dominant business partners. Given the opportunity to live out that fantasy, Sylvia jumped at the chance. But when Mr. Grant, the senior partner, showed up, he turned her submission into something very real.

Now she is exploring what it means to be in a Dominant/submissive relationship with a man who seems to gain more pleasure from watching her with other men than giving her what she really wants. *Him*.

Mr. Grant has never experienced a submissive as willing and desirable as Sylvia. Everything about her makes him want her, eroding the strict control he keeps over himself when mastering a woman. No submissive has ever come close to breaking through his carefully erected barrier of indifference. Until now.

Sylvia tries to reach past Mr. Grant's self-imposed walls to touch the man beneath, but when he finds himself in danger of losing control, he takes drastic steps that will leave them both reeling.
