Wann it not that a Preface is considered by many persons, as an indispensable accompaniment to a book, the Author of this Volume prefers laying it before the world without one. But to omit complying with the general eustom in this respect, might seem to indicate indifference to public opinion. The very flattering reception which the first edition of the EMIGRANT'S GUIDE has experienced from upwards of eight hundred of the Nobility and Clergy of Scotland, has stimulated the Author to publish a Second Edition.
