Between Ape and Artilect: Conversations with Pioneers of Artificial General Intelligence and Other Transformative Technologies Ben Goertzel

Between Ape and Artilect is edited by noted AI researcher Ben Goertzel, and produced by futurist organization Humanity+. During 2010-12, Dr. Goertzel conducted a series of textual interviews with researchers in various areas of cutting-edge science -- artificial general intelligence, nanotechnology, life extension, neurotechnology, collective intelligence, mind uploading, body modification, neuro-spiritual transformation, and more. These interviews were published online in H+ Magazine, and are here gathered together in a single volume. The resulting series of dialogues treats a variety of social, futurological and scientific topics in a way that is accessible to the educated non-scientist, yet also deep and honest to the subtleties of the topics being discussed. **Between Ape and Artilect** is a must-read if you want the real views, opinions, ideas, muses and arguments of the people creating our future.
