Helping Others On the Journey: A Guide for Those Who Seek to Mentor Others to Maturity in Christ

Terry Wardle

The Christian life is a journey of transformation - a concept that is explored in a variety of ways throughout Scripture. This journey has a clearly defined destination, and there are challenges along the way that provide opportunities for personal growth. What is clear to anyone who has travelled the road for very long, is that we often need the help of fellow travellers. And there is nothing more fulfilling than helping an inexperienced or struggling traveller to overcome their problems and reach a new depth of intimacy with Christ. This book is full of practical guidance that will equip you for the task of mentoring others and guiding them on their journey towards maturity in Christ. It focuses on the do's and don't's of mentoring, saving the reader from making common mistakes, and provides a strong framework for effective mentoring. The focus is always upon spiritual growth and the goal of all spiritual mentoring is to help people become more like Jesus. This book also contains insights that will be valuable to those in pastoral ministry and small group leadership.
