If You Think That's Bad...: The Stupid Things People Say When You Get Dumped Suzanne Staton

Have you ever been dumped? Of course you have! We all have. And that means you know people who have been dumped-which means that not only have you heard people say stupid things when you've been dumped, but you've probably also said stupid things to other people when they've been dumped, even if you didn't know it. But those days are over! *If You Think That's Bad...* reveals the wrong, though well-meaning, things people say to the newly dumped, and why no one should say them. With humor and a pull-no-punches attitude, author Suzanne Staton shows you why those stupid things got under your skin when you were dumped and how to never again put your foot in your mouth when a friend or loved one comes to you with news of a breakup.
