Inn the Family Way (Who-Dun-Him Inn Cozy Mystery #3) Heather Horrocks

PG-RATED FUN by USA Today and Amazon bestselling author Heather Horrocks. This book is the third in the popular Who-Dun-Him Inn cozy mystery series. Each are stand-alone books that may be read in any order (though relationships do progress, so you'll probably enjoy them more if you read them in order).

INN THE FAMILY WAY

Some families really put the *fun* in dysfunctional. Especially if fun translates to "The more, the merrier". Vicki and Liz have nothing against polygamists. After all, their own great-whatever-grandfather who built the mansion that morphed into the Who-Dun-Him Inn had at least three wives (okay, four, but who's counting?).

If family dynamics can be challenging with one husband, one wife, and two-point-five children involved, those in a family with five wives and twenty-eight children can turn deadly serious.

REVIEW OF BAH, HUMBUG (Christmas Street Romantic Comedy Christmas Novella #1):

“This isn't a book; it's magic. What could be a sappy Christmas story turns into a wonderful, magical, bring-the-family-together Christmas story. I wasn't merely reading Lexi and Kyle's story, I was there with them, being part of their story. I came up for breath only when I was done with the book (I read it at one sitting). I've never given 5 stars to any book. But this is such a wonderful, heartwarming read that I felt compelled to.”
