The forbidden fruit must be tasted...

Ashton Parker Jr.:

Ashton Parker Jr. has spent his lifetime trying to gain his father's approval. Despite trying his best and even building a multi-million dollar corporation, Ashton just can't get his father to approve. One day, however, Ashton Parker Sr. sends his step-daughter, Elise to Ashton's business, expecting his son to offer her a job. Ashton Jr. sees this as yet another opportunity to invite his father's positive attention.

While she may seem talentless, Elise quickly proves herself more than capable of gaining the trust of hard to secure clients. Ashton is pleasantly surprised with this hidden skill, but more than that, he's pleasantly surprised with the way that she does it. Elise has a voice that could charm a millionaire out of every penny in his account, and Ashton soon finds himself being drawn in.

Can he resist the lure of his step-sister's angelic voice? Or will Ashton give in to temptation and create a whole new family dynamic?

Elise:

I had just lost my job when my daddy told me that my step-brother, Ashton would give me a chance. I don't have much in terms of skills, but since he is my step-brother I was sure that my daddy was right and Ashton would give me a new job.

We haven't always got along, me and Ashton, hell, we haven't known each other for that long! So I guess I shouldn't have been surprised when he treated me like any other job applicant when I showed up at his office. I soon showed him though! I managed to secure one of the most elusive clients his firm had ever had! I guess you could say that Ashton warmed up to me soon after that.

That same day, he moved a desk in to his office for me and I started in my new position. Though it turned out that my new position involved more than just sitting at my desk!

**No cliffhangers here! Each book of the Bad Boy Stepbrother Series universe has a HEA ending. Each new book introduces new characters.*
