Addition the Fun Way!: A Picture Method of Learning the Addition Facts Judy Liautaud

Students love learning the addition facts with the colorful stories. They learn to associate each number with a character and when they interact in the story, the answer is clear. No more counting on fingers! Instant recall of the facts occurs after practice with the stories and recalling mental images of the characters. This method is proven effective and works well with most students but especially those who are visual learners or have learning challenges. Colorful illustrations teach the 0's-9's addition facts. This is a fun and easy way to memorize the basic facts.
