What are DoodleLoops?

DoodleLoops are unique and exciting learning tools designed to teach and strengthen reading and language arts skills and promote creativity. Your children will be inspired to learn and explore through this engaging and dynamic approach to education. We call it *Ignition for Cognition*. By combining creativity, drawing and expressive language skills, learning becomes exciting, fun and meaningful!

DoodleLoops Sequencing helps to develop your children's ability to sequence a series of events in story form. Children cut out a series of pictures, put them in sequential order, enhance the pictures with their own drawing and then write about them. DoodleLoops Sequencing can be used from Pre-K through the sixth grade level.

Give your children their own DoodleLoops pages, and you'll empower them with the *Joy of Learning to Create and Creating to Learn*. You'll be thrilled with the results!
