Keeping Religious Institutions Secure Jennie-Leigh McLamb MS in security management

Keeping Religious Institutions Secure explores the unique vulnerabilities that churches, synagogues, and mosques face in regards to security, making them attractive to criminals who see them as easy targets.

The text illustrates why all places of worship should think about security and the types of breaches that can drive people away. The book focuses on the most frequent security concerns experienced by houses of worship, including embezzlement, vandalism, assault, hate crime, and in rare cases, an active shooter-and how to help prevent them from occurring.

Beginning with an overview of the basic security concepts and principles that can enhance the security of any religious facility, it then delves deeply into the particular security concerns of houses of worship, including the use of volunteers, protecting religious leaders, ensuring safety for children and teens, interacting with local law enforcement, handling the media, and much more.

- Covers security best practices that are adaptable to any type of religious institution.
- Addresses the key security measures-physical, electronic, environmental, and procedural-for protecting people and facilities.
- Includes guidance on identifying threats and vulnerabilities and instituting countermeasures for deterring crime and violence.
