Life Insurance Consumer's Guide

The INSIDER'S guide to the very BEST life insurance policies and pricing to PERFECTLY match your needs and budget!

Are you considering a life insurance policy to protect your loved ones, or simply want to better understand the one you already own?

Understanding life insurance policies and trying to determine which kind to buy, where to look, and who to buy it from can be a daunting task, especially when there are scores of different types of policies on the market, dozens of options and hundreds of life insurance companies that offer them...

Life Insurance Consumer's Guide will quickly and easily turn you into a knowledgeable consumer and an empowered shopper!

Author and former life insurance broker, GT Phillips, brings his knowledge and experience to bear in this must-have life insurance guide book to help you make sense of the life insurance industry while making the process of understanding and buying a life insurance policy a pleasant and rewarding experience. He's also gone out of his way to help guide you through the clutter and provide just the information you need in a fact-filled and convenient manner.

The book is laid out in a format that not only promotes fast learning and retention, but helps to guide you through its pages in a way that holds your interest and makes for an enjoyable learning experience, without any fluff or filler. It's also filled with free resources and downloads!

With his unique, inside perspective, the author also provides plenty of tips and information that you'll not find in other life insurance books or resources, or from your typical insurance agent.

Your new-found knowledge will save you a lot of time, money and frustration for years to come!

Following is a brief list of just some of the valuable content that you'll find inside:

- How to easily distinguish between term life insurance, whole life insurance and the various policy categories.

- How to quickly zero in on the best type of life insurance policy to perfectly fit your unique situation.
- Which type of plans save the most in premium dollars.
- How to use insurance riders to customize a plan to fit your objectives.
- How to save time, effort and money and shoot straight for the best companies and life insurance quotes.
- How to eliminate “sales apprehension” and go head-to-head with any agent and come out a winner every time.
- How to protect yourself if you don’t buy exactly what you want and quickly get every dime back, guaranteed.
- How to use a simple formula to determine exactly how much life insurance coverage you need without having to guess and risk being under- or over-insured.
- How to easily understand insurance lingo and avoid costly mistakes.
- How to quickly determine the best life insurance plan for seniors.
- How to know which policies are good investments, and which to avoid...

Let’s face it - investing in a life insurance policy is a necessity to help protect those you care about. After reading **Life Insurance Consumer’s Guide** you’ll be able to do just that, with absolute confidence that you did the right thing, with the right company and acquired the perfect plan for your exact needs and budget.

You’ll soon sleep better at night and enjoy peace of mind knowing that your family will be provided for should you suddenly be taken out of the picture.
