Diary Of A Friendly Minecraft Creeper – School Daze

“I want to meet new people and make friends”, said no Creeper ever up until Friendly Creeper came along.

Unlike other Creepers, the Friendly Creeper wanted to be nice to people rather than explode and hiss at them. He wants to help the friends who saved him from the villagers. However, the other Creepers shun his idea because Creepers are supposed to be mean and hurt people rather than help them. They therefore force him to attend Creeper School. Read this illustrated short story to find out how he manages to survive in a school that teaches everything he doesn't want to learn. Can he learn to use his Creeper skills to help his friends, or will he be forced to become just like a regular Creeper?
