No Demons, Please... We're Evangelical: The Spiritual Roots of Porn Addiction Bryan Fraser

Today's high-profile evangelical men's ministries focus almost entirely on how men can overcome addictive behaviors through teaching, mutual encouragement, and discipline. While this approach is helpful for the unsnared, it crushes men already captive to pornography.

This book exposes the demonic energy behind three delusions common to Christian men addicted to pornography:

- "My compulsions originate internally rather than externally, so I can't deny who I am,"
- "I deserve to act out this way because God made me with these irresistible compulsions," and
- "I can temporarily indulge in pornography and then return unchanged to the point where I fell away."

Using the testimony of his own deliverance from pornography addiction, a seminary-trained pastor pleads for the church to exercise its rightful authority in spiritual warfare to drive out the unclean spirits that masquerade as our own thoughts.
