A Christian who is involved in evangelism understands the significance of prayer and its effectiveness in sowing the seed and reaping the harvest. If soaked in fervent and abundant prayer, our evangelistic efforts will bring about a greater impact, for we will be Spirit-empowered witnesses. The objective of this book is to challenge you to pick up “the instrument of prayer” as you seek to evangelize, so that you can make a difference in this dark world by sparking the light of hope for the hopeless. You can do this by praying for yourself, praying for others and by asking others to pray for you in your evangelistic ministry. No matter what you do, no matter where you are, you can make a difference by partaking in God’s mission through prayer.
